

IACRN 2023 Membership Campaign *Together We Grow*

*Win a free year of
IACRN membership!*

By recruiting new members to join the International Association of Clinical Research Nurses (IACRN), you help strengthen our organization and the specialty of clinical research nursing. **Together we GROW!**

HOW DOES THE CAMPAIGN WORK?

The IACRN 2023 Membership Campaign will run from July 15, 2023, through November 15, 2023.

To be entered in the drawing for the campaign prize of one free year of IACRN membership, your CRN colleague must list your name in the "Who referred you to IACRN?" section of the membership application.

For each new or reinstated* member application received from July 15-November 15, 2023, the current IACRN member**/recruiter will earn a chance to win a free year of IACRN membership.

At the end of the campaign, recruiter names will be placed in a drawing to select the winner and renew one recruiter's IACRN membership for one year.

**Reinstated members are defined as members whose memberships lapsed in December 2021 or prior.*

***Current IACRN members/recruiters are defined as members in good standing at the time of the drawing.*
